The first novel in a YA fantasy romance series featuring “vampires with bite and girls who bite back. A witty, exhilarating and fresh take on an old tale” (Kelley Armstrong). On her sixteenth birthday, Solange Drake is going to die . . . But that’s okay. As the only daughter ever born to an ancient vampire dynasty, Solange’s sweet sixteen just means she will fully come into her own as an immortal. Unfortunately, it also means a lot of people both dead and undead are now watching her. Especially Kieran Black—a vengeful agent with an anti-vampire league who blames Solange’s family for his father’s death. Luckily, Solange has her human best friend, Lucy, who tries to help her have as normal a life as possible, despite her overprotective brothers and the politics of the undead realm. But when Solange is abducted by a power-hungry vampire queen, it will take all her friends—as well as the daring and dangerous Kieran—to rescue her before she loses her eternal life . . .
